FOOD BUYERS – DO NOT SUBSTITUTE!

A SCOUTMASTER HAS APPROVED THIS MENU AS IS!

Troop 351 requires all days to include the four basic food groups. If it is not being cut, diced, sliced, cubed, boiled, baked, fried, or grilled, etc., then it will probably not be approved (so shouldn't be included on this worksheet). All meals must require some degree of preparation, and dinners must require cooking (must contain raw ingredients such as meat, vegetables, fruit, etc. or consist of three or more different ingredients that require some degree of preparation. Preparation can be done in advance.)
